

STANDARD DUTY
LANDSCAPE RAKES

FEATURES

Standard duty and premium duty options.

Strong and durable.

With so many uses, it seems insulting to just call it a rake.

Spread topsoil and gravel. Remove stones and debris. Prepare soil for planting or seeding. Grade livestock areas and gravel driveways. Clean up construction sites. Even renovate a pasture. These ruggedly durable landscape rakes can handle everything from the toughest cleanup jobs to the precision raking you demand for lawn care and general maintenance. Which means you'll run out of jobs long before you run out of uses for your rake.
